August 17, 1966

Dear Harold,

I call this "the loaded poster". Another version of this which I'm publishing simultaneously is identical except ~~of lettering~~ for the lettering GUN CONTROL BEGINS IN THE WHITE HOUSE. If you'd like a copy of this let me know. (at P.O. Box 1928.)

Hope to see you soon. Are you going to be doing some programs in New York this fall?

Sincerely,

Carol Jackson
